In compliance with data protection regulations, we provide you with the following [processing information](#):

Controller: EVENTISMO, S.L.U.

Purposes of processing:

To maintain a business relationship, coordinate the different activities taking place during the event, as well as managing registrations, consents, and promotion of the events and activities organized by the controller. Without the communication of the indicated data, Eventismo will not be able to fulfil the described purposes.

If during the event you participate in sessions organized by collaborating companies, your data will need to be shared with those companies for the same purposes.

No automated decisions will be made based on the provided data.

[Conditions](#)

☐ I expressly consent to:

- Publishing images and/or videos of event activities on social networks and corporate websites for promotional purposes (GDPR Art. 6.1.a; GDPR Art. 49.1.a).
- Registering both for this event and for any other activities held during the event.
- Sending promotional communications, including by electronic means (GDPR Art. 6.1.a; LSSICIE Art. 21).

By giving your consent, you agree that your data may be transferred to the following recipients for the execution of the consent:

1. Social networks, video platforms, the entity's websites, and other communication media, for the purpose of publishing images and/or videos of event attendees for promotional purposes.
2. To participating companies that organize sessions during the event that you choose to attend.

Opposition to image distribution: If you do not wish for your image to be distributed, you can notify us by email at info@eventismo.com for its removal.
